

Student Guide to retrieve PIN and STUDENT NUMBER

V1/2023

Generate PIN

- Rules and Agreement- You generate PIN

😊 Write this 5 pin number somewhere safe.

Rules and Agreement

Please confirm your acceptance of the Application Rules and Regulations by ticking the "I Accept" checkbox. Failure to do so will result in your application being rejected. Note that if you now quit your application at this stage will erase in all previously captured information

Login Information

Please create a 5 (FIVE) digit PIN which you will use to login into the Student i-Enabler System. Tap/Click anywhere on this web page to generate your PIN.

- The PIN must be 5 (FIVE) in length
- No same digits may be used consecutively, i.e. 11559 cannot be created
- Your PIN may not start with a "0" (ZERO)
- Your PIN cannot be a recognisable PIN, i.e. 12345 is not allowed

Login Pin Number:

Agreement details

1 of 1

I understand that the approval/acceptance of my application is subject to the following conditions:

1. That I meet the academic criteria of ORBIT TVETC that will be applied via a selection process that is based on my results as presented in my final school report
2. That my application will only be finally processed on submission of all required documentation (certified and not older than 3 months in the case of results and ID documents)
3. That it will be my responsibility to apply for a bursary should I need financial assistance during my proposed study period
4. That I may qualify for a DHET TVET College Bursary if
 - 4.1 the combined income per annum of my guardians/parents does not comply with the bursary guideline
 - 4.2 I am a South African citizen
 - 4.3 I meet the required academic criteria as stipulated by the bursary scheme

I Accept: ☐

I do not Accept: ☐
