What is/are your trade(s)?

Have you done any projects/jobs for paying clients yet?

If yes, please explain what the project(s) was/were?

When did you graduate?

Do you have a mentor or someone else helping you to start a business?

What steps have you already taken to start your business?

What are your biggest challenges holding you back currently?

Provide THREE references for people who can comment on your technical trade skills

Describe where they have seen your work (.e.g. examiner, customer, contractor, etc. NOT family members)

Please provide TWO character references and what your relationship with them is

(e.g. a teacher, lecturer, pastor, community leaders, customer, etc. NOT family members)
